New Listings

In 2015, Airbnb reached the **highest** number of new listings. 2016 and 2017 saw a restraint also due to a tightening in local regulations. Despite this, Airbnb became **profitable** in the second half of 2016, and 2017 marked the first full year of generating income. From 2018, there was a new growth stopped in 2019 by the **COVID-19** pandemic.

Market Share by City

Paris, NYC, and Sydney account for almost half of the total listings and 48% of total reviews.

Paris is the city with the most listings and reviews. A possible driver is the prices for hotel rooms being twice as much as Airbnb!
